

2022 Special Needs Pre-Party
Registration Friday, August 5, 2022
2pm to 4pm

We are holding a special pre-carnival party for families with children with special needs.

Our goal is for your family to have a wonderful time in a carnival environment that is a bit slower paced and without the hustle and bustle of faster moving lines. Everything on the fest grounds will be available to your families as it is the rest of the weekend...but this experience is tailored to your family and the special needs of your children. We will have volunteer "friends for the day" available to assist you in riding rides with your children or just extending an extra hand.

Adult Contact Name: _____

Child's Name: _____ Age: _____
